

Green Asia

Strategy for Sustainable Food Systems, MIDORI
Technology Catalog for the Asia-Monsoon Region

Technology Catalog Contributing to Production Potential and Sustainability in the Asia-Monsoon Region

Ver. 3.0

The International Center for Strategy "MIDORI" (2024), *Technology Catalog Contributing to Production Potential and Sustainability in the Asia-Monsoon Region*, Ver. 3.0, Japan International Research Center for Agricultural Sciences

Acknowledgement

We are thankful to Japan Intellectual Support Network in Agricultural Sciences (JISNAS) for its invaluable support in identifying scalable technologies from universities for the preparation of Technology Catalog version 3.0.

All rights to the information items contained in this technology catalog are reserved by the developers of the technologies or legitimate third parties. Distribution of copies, in whole or in part, is authorized provided the source is clearly stated, but the use of any item or modification of the item in other publications without prior written permission is prohibited. The source must be fully cited when referring to the technology described in this catalog.

Ver. 3.0 published November 2024 by the Japan International Research Center for Agricultural Sciences
